When the Class of 1975 first came to Thomas Jefferson, busing was in full swing. The times were changing, and T.J. was changing with them. Students were dependent upon the "cheeses" in order to get to school. This mobilization created a diversified student body, coming from all parts of the city, able to learn about other cultures and to intermingle with different types of people.

The constant impact of this experience of the "cheeses" and of its accompanying mixture of cultures, has produced the theme of this yearbook . . .

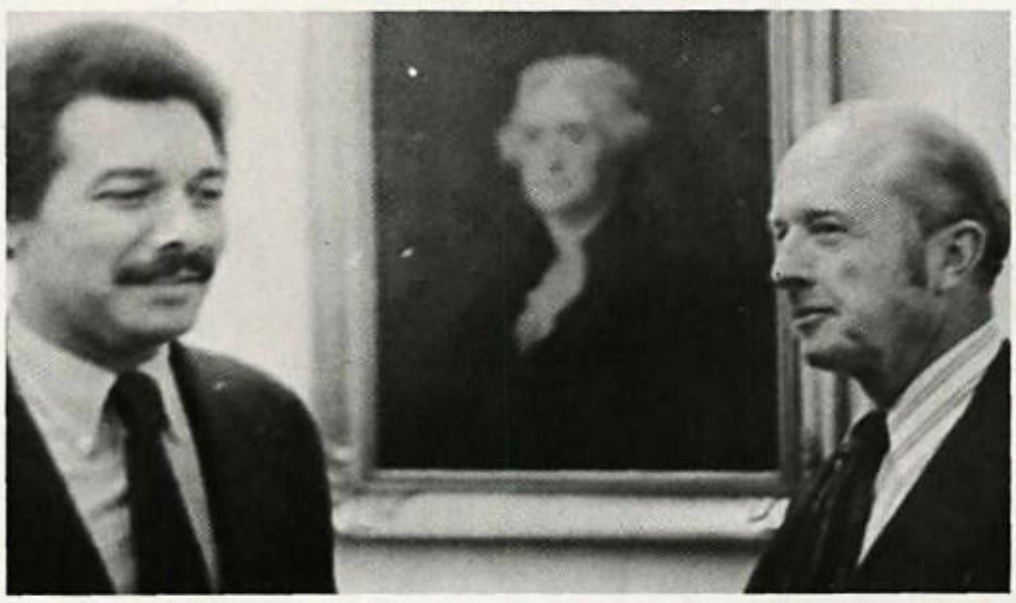
Office Sustains Steady Pace for Productive Year

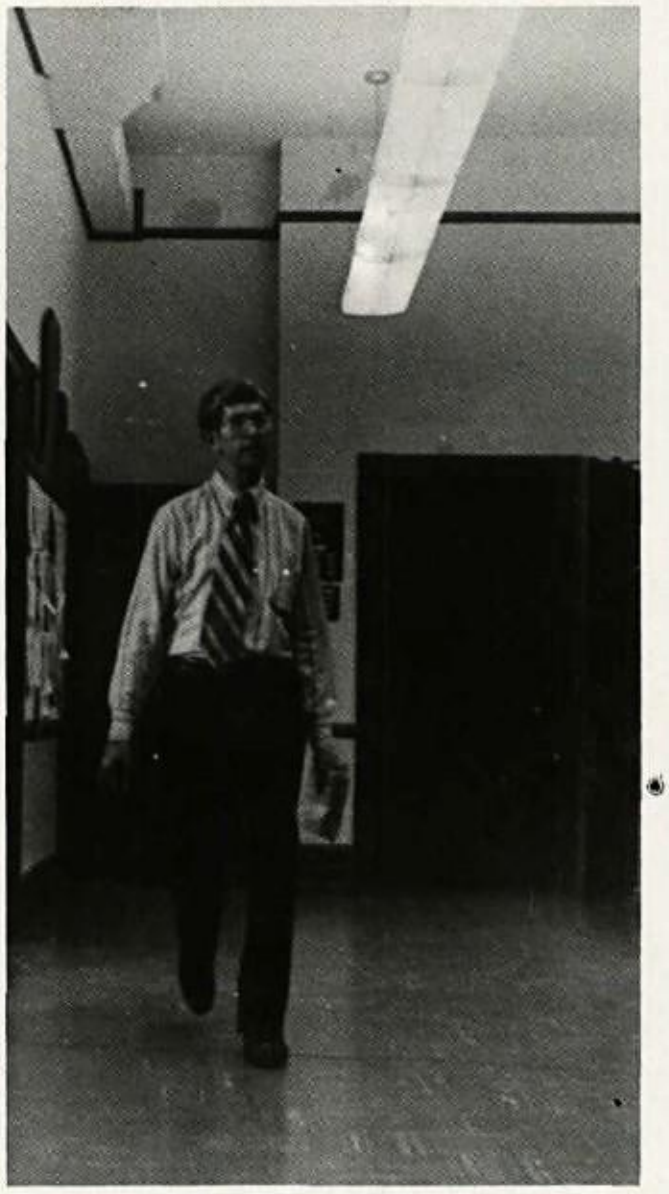
LEFT: Mr. Brock contemplates what he will say on the day's announcements.
BELOW RIGHT: Mr. Edwards, Thomas Jefferson, and Mr. Brock take an optimistic outlook for this year.



MR. W. W. BROCK, JR.
B.S. Virginia Polytechnic Institute, M.A. University of Virginia, Fulbright Fellow, John Hay Fellow, Principal.

With its usual enthusiasm, the administration led Thomas Jefferson through a productive year. Always ready to lend a listening ear, Mr. Brock found himself busy with students, with faculty, with the city school administration, and with the community at large. Mrs. Diamond worked on improving the school's present and future curriculum and planned assembly programs.

Mr. Edwards and Mr. Norment performed their necessary, though often time consuming and sometimes routine, duties. The spectrum of the calls for their attention ranged from "watching" the buses roll in or proctoring the cafeteria to conferring with students who had problems. The administration was able to pull the loose ends of many varied types and methods of learning into a "great" year.



UPPER LEFT: Mrs. Diamond appears incredulous as a student tries to give her a good excuse.
ABOVE: Always on the run, Mr. Norment hurries to deliver some papers to Mr. Brock.

MRS. S. S. JENNINGS
B.S. Radford College, M.A. V.C.U., Guidance Counselor, Keyettes Advisor.

MR. J. JONES
B.A., M.Ed. Virginia State College, Guidance Counselor.

Not only dealing with the academic problems but also with the social ones of the students, the Guidance Department effectively scheduled students into the varied classes offered at Thomas Jefferson. Arranging for standardized tests and administering them kept the department busy in the fall. In the spring a "Career Fair" interested all the students. Guiding college-bound students in finding schools and scholarships completed a long list of activities.

As Mrs. Garber works busily at her desk, Mr. Jones discusses a student's schedule with Mrs. Brumble.

Secretaries Work to Keep Everyone Informed

Mrs. Walter hands the ever-busy Mrs. Miller another letter to type.

MRS. J. WALTER
Secretary.

MRS. M. MILLER
Secretary.

MRS. B. GARBER
Guidance Secretary.

MRS. C. RIGGAN
Bookkeeper.

MRS. E. SWIFT
Records Secretary.

Mrs. Miller listens attentively as Mr. Norment talks directly over her head.

Typing numerous letters, announcements, and the daily absentee sheet occupied most of the secretaries' time. They were never too busy, however, to answer the deluge of questions from visitors, teachers, and students. Mrs. Walter's tasks sometimes included making deposits for school organizations and typing Mr. Brock's correspondence. Throughout the year, Mrs. Swift maintained a constantly-updated list of potential graduates and prepared the college-bound seniors' transcripts. Quite often the secretaries could be seen working long after students had left, trying to complete another day's work. Seeing that the daily attendance sheet was typed and distributed filled Mrs. Miller's time. Mrs. Garber fielded many of the incoming calls while Mrs. Riggan balanced voucher books and wrote checks.

This spring the English Department conducted experimental projects in some classes in preparation for major changes in the English program in 1975-76. An integrated program of literature, composition, and language usage was built around a theme of particular interest to students. Paperbacks were used as the basic textbooks for these thematic units. Some students were allowed to select a unit of speech and drama in place of the regular English class. Successful evalution of the projects was expected to be used to decide on extension of the program to many more students next year.

Under the able leadership of Mrs. Hancock, the Social Studies Department continued to instruct students in history and involve them in current events. The varied curriculum attested to the fact that the students had different interests and backgrounds. From A.P. American Studies to 9B History, the department tried to make history alive through field trips, speakers, and periodicals.

Problem Solving Is Aim of Math Department

In addition to teaching students the basics of algebra and mathematics in the new two-year Algebra I course and the 9B Math interdisciplinary course, the Mathematics Department still prepared students for college. Such offerings as Calculus, College Algebra-Trig, and Trig Analysis satisfied the need of this second group of students.

The mathematics learning center had no full time staff. This lack was partially offset, however, by Mr. Constanoble, a volunteer aide, who still offered his invaluable help.

Showing the continued excellence of the Math Department, students gained first place in a regional math conference at Virginia Commonwealth University. Entries were also placed in the Virginia State Mathematics and Science Teachers regional competition.

Science Department Explores Life

New this year in the Science department were two things. Among them were the new chemistry teacher, Mrs. Sandra Sheats, and the new class ISCS (Intermediate Science Curriculum Studies). In ISCS, a class which is an individualized, self-pacing course, students set and evaluated their own goals for daily work.

D.E. Department Teaches Students How to Work

The Distributive Education Department prepared students for work by teaching them proper sales techniques and retail merchandising procedures. A new addition to the department this year was the much-requested Fashion Merchandising course taught by Miss Cooke. This class taught girls how to style, make, and merchandise high fashion clothing. Besides teaching students about jobs, the teachers also helped them obtain retail sales jobs.

CLASSES

Senior Year Requires Much Planning

Entering their final year, the Class of 1975 and its Class Council attempted to instill school spirit and pride in the student body of Thomas Jefferson High School. After deliberation in Spring, 1974, the Class Council chose Mrs. K. P. Hancock to be the new Class Sponsor and Mr. D. L. Pendergrast to be Class Advisor.

In Summer, 1974, the elected officers, advisors, and councilmen met in session and organized committees to take care of traditional Senior functions. The Senior Showdown Committee formulated plans to hold the affair in March; by November, the Senior Prom Committee had completed most of the plans for the Senior Prom to be held in May.

Many Seniors looked to 1974-1975 as the final step before going into vocations and into college. Various courses at Thomas Jefferson prepared many students for a harder college education. It is probable that many Seniors will look back at their day of graduation in June, 1975, as one of their most joyful days.

ACTIVITIES

House and Senate Emphasize Student Participation

The House of Representatives was re-enacted this year by Senate decree for the purpose of obtaining more student involvement in school affairs. To create interest and stimulate positive thinking on the part of all students, each Action Group chose its representative to the House. Each House member was charged with the responsibility of becoming an active facilitator of two-way communication between the students in his Action Group and the Senate.

The major project that the House of Representatives sponsored was an opinion poll. During Action Group meetings questions dealing with continuing the P.A. soap operas and having buses to "away" basketball games, for instance, were asked. Every student was given the opportunity to express his "yes" or "no" opinion. These polls proved extremely popular.

The Student Participation Association placed the most emphasis on student participation in school activities. In November, the Senate sponsored a Homecoming Dance. Buses to and from ball games to boost school spirit and a tea for the teachers between semesters were also arranged.

In addition to sponsoring activities, the S.P.A. actively supported programs of orienting new students, the school steering committee, the Senior Corps of Helpers, and the PTSA. During the Spring, the major Senate project was revision of the Student Handbook. Throughout the year the Senate cooperated with many community activities. As a result of a questionnaire on drugs, Senate was able to aid CODAC, a drug abuse prevention organization, with information, opinions and ideas to help the drug problem. These projects, along with others, helped the S.P.A. reach its objectives for the year.

This year's activities culminated in a Spring distrist convention in Norfolk, Virginia, and plans for a summer international convention in New Orleans, Louisiana.

One of its chief objectives was to develop strong aggressive leadership so that future businessmen and women might participate more effectively in the business and community life of which they will be a part. Attendance at local leadership conferences, work with local committees on March of Dimes, and help on other community funds and drives were part of a continuous advertisement for fellow students to come join in working for better life in America.

Its purpose — to unite students desiring to participate in Hispanic-related activities and entertainment — led to many club activities, including attending plays at area theaters, sponsoring native speakers, and visiting displays and exhibits of Spanish culture. An annual "Fiesta de Navidad" and a spring picnic were among the activities.

SPORTS

Frustrating Season Faces Vikings

The Vikings struggled through a frustrating season ending with a 3 won and 7 lost record. There were many highlights even though the record would not indicate it. The Viking offensive machine averaged 308 yards per game. Top efforts of the year were Charles Butler's 211 yards rushing against Kennedy, Reggie Gray's 169 yards passing against George Wythe, and Gary Falden's great defensive play of being in on 18 tackles a game. Falden and many other underclassmen should make the team much stronger in 1975.

Viking Trio Pioneers Girls' Cross Country

For the first time in the history of Thomas Jefferson High School, Viking girls hit the cross country trails. Training right along with the boys each day, Deborah Snaggs, Sharon Rickman, and Susan Wallace enjoyed much success in their new sport. Because of the lack of local high school cross country competition for girls, these Viking pioneers competed with the Richmond Track and Field Club Women's Team against other women's teams throughout the East. Setting records almost weekly in races from 2 to 10 miles, the trio very quickly gained State, Regional, and National respect.

Indoor Trackmen Star on Boards

Viking Indoor Trackmen enjoyed another successful season, winning numerous honors and qualifying nine athletes for the State Championships. Leading the team were East Coast Invitational 600-yard champ Dave Clatterbuck and Regional Indoor 1000-yard champ Robert Logan. Sprint stars Marcus and Robert Carroway and Lou Jones ranked among the best in the area once again, and Juniors Dave Benson and Victor Williams joined this group to keep the Vikings winning in the 880 and mile relays. In the field events, State hurdle qualifier Stanley Carroway showed versatility as the team's top long jumper and shot putter while Brent Evans ranked with the area's best in the triple jump.

Spectacular Mighty Vikings

The '74-'75 season started with great optimism. The team possessed seven lettermen including Otis Fulton, an All-State selected from the '73-'74 season, and Keith Valentine, an All-Metro and Central Regional choice. These two players, plus outstanding performers, Chris Smith, Arnold Henderson, Victor Harris, Tommy Hunt, and Percy Mitchell, provided a nucleus that produced an air of confidence for the Vikings.

The team lived up to all expectations by winning for the second straight year the Norfolk Catholic Christmas Tournament that included such outstanding teams as Power Memorial of New York City and Mackin from Washington, D.C.; also, T. J. defeated cross-town rival, Maggie Walker, before 12,000, plus, at the Richmond Coliseum.

The Highlight of the season came when the mighty Vikings overpowered the Halifax Comets to claim the State Championship.

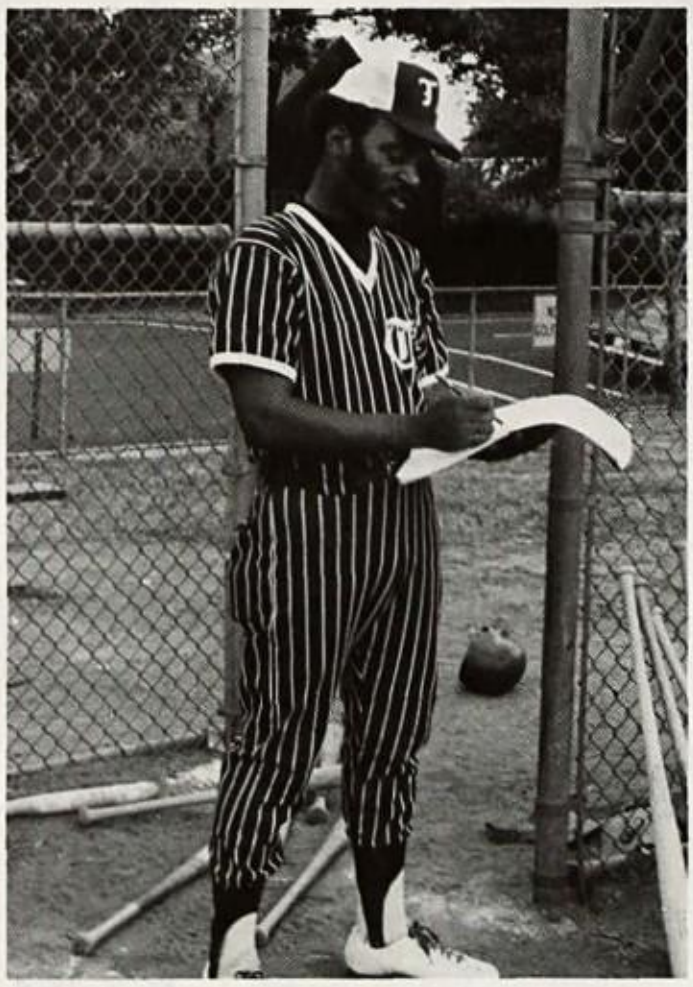
Baseball Team Has Optimistic Outlook



Coach Atkinson checks the playing roster before a game.

J.V. FIRST ROW: Sonny Shepperson, Chris Jackson, Ricky Jones, Curtis Miller, Richard McGrath, Mel Vaughan. SECOND ROW: Joe Mattox, David Owens, Carlton Day, Wayne Wilkerson, Donnie Stratton, Coach J. Battle.

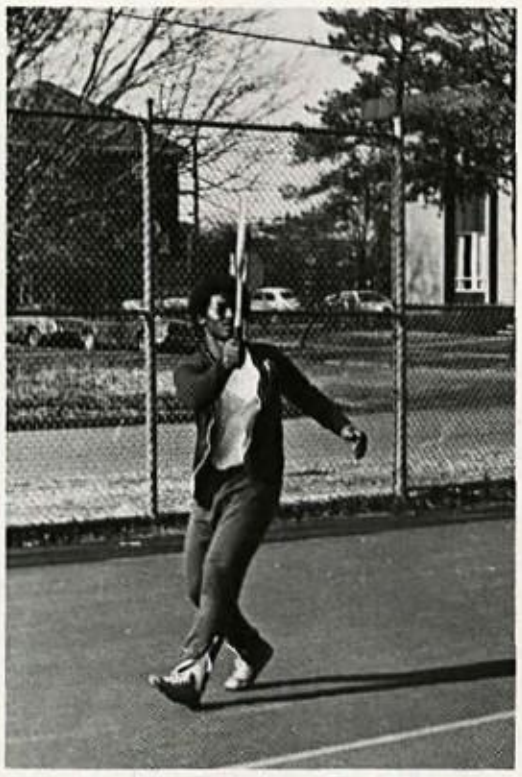
Boys' Tennis Team Welcomes New Coach

This year's tennis team enjoyed much of the success that was expected when the season began. Led by last year's returning lettermen, Randy Holland, Marrell Harmon, David Shocket, and Sam Robinson, plus some needed help from promising Freshmen and Sophomores, the team achieved a quality of play which any coach, school, or community would praise.

David Shocket quickly leaps to action as he returns the ball.



Practicing for the upcoming season, Sam Robinson hits a forehand return.

Coach Logan instructs Melvin Anthony on the proper stroke technique for hitting a forehand.

Among the Romans, this meant the right to wear a gold ring, confined to senators, chief magistrates, knights. Among your contemporaries, the right to wear your class ring is reserved for you and your classmates. We're proud that Balfour was given the privilege of crafting it for you.
